Map Reference
The Trails on this map are intended for use by snowmobilers ONLY. Please refer to the WYO MAPS for trails open to WYO state users ONLY. For more information visit www.wyotrails.com

Permits/User Fees
Resident and non-resident snowmobiler user fees are required by Wyoming State Law. The fee is \$10.00 annually. These annual user fees revenues are used for the Snowmobile Trails Fund for trail grooming, parking area snow removal, and maintenance. Proof of payment is in the form of a decal which must be displayed on the snowmobile.

These decals are available from licensed permit selling agents across the state and online. For purchasing information, a list of selling agent locations, and more, visit www.wyotrails.com

No Snowmobiling Areas
Please respect all NO SNOWMOBILING areas including wilderness, wet areas, and wildlife winter range. Restricted access - Open access. Winter range provides wildlife a place to feed and conserve energy, which can help them survive through the harsh winter months. You can do your part by observing closures and restrictions, staying visible from a distance, not following the wildlife, and enjoying the snow in the higher country above any areas likely to disturb wildlife.

WYOMING RANGE WESTERN WYOMING

The Wyoming Range trail system is maintained through cooperative efforts of the Wyoming Department of State Parks and Cultural Resources/Division of State Parks, Historic Sites and Trails, the U.S. Forest Service, the Bureau of Land Management, Lincoln County and local snowmobile clubs.

The Wyoming Range is the area between Alpine and Kentonment. This area has approximately 360 miles of trails. The main trails are groomed every week and the secondary trails are groomed every other week or as needed. Snowmobiling is allowed in Alpine, Atlas and Kentonment, Pineade, Big Piney and LaBarge all offer access to trailheads on the east side of the range. This area offers deep snow, beautiful scenery, and fantastic off-trail riding. Trailheads are available in Pineade, Alpine and Thayne. Snow depths run from 3 feet to 12 feet.

Elevations: 6,000 feet to 10,000 feet
Grooming Season: Mid-December through Mid-March, depending on snow conditions and funding.
Season temperatures: +30 degrees F to -30 degrees F

TOTAL MILES: 361
GROOMED: 216
UNGROOMED: 145
